

Swim Meet Officiating Requirements...

Each family is asked to volunteer to officiate at away swim meets. ***It is expected that all families will participate in any swim events that take place at home (ie. Swim meet, time trial, swim-a-thon).***

For each away meet, families will be asked, via email, to indicate their availability to officiate at that particular event. Each family will be required to sign up for a total of three (3) away meets per year. Each meet will be assigned a dollar value of \$50.00. A deposit cheque in the amount of \$150.00 will be required at the start of the swim season (three events X \$50.00 = \$150). For every event missed, one \$50.00 fine will be levied up to a total of \$150.00 per swim season. If all of the events are attended/worked, no fines will be levied.

On some occasions, meet organizers will have more volunteers than they do positions available. If this happens, you will not be penalized for not actually working at the event. The onus is only on you to sign up and be available to officiate.
